

# Rollerbox

The Rollerbox multi-use closet is a distinctive and versatile product, suitable for a vast range of uses, and blending practicality with a modern and contemporary style.

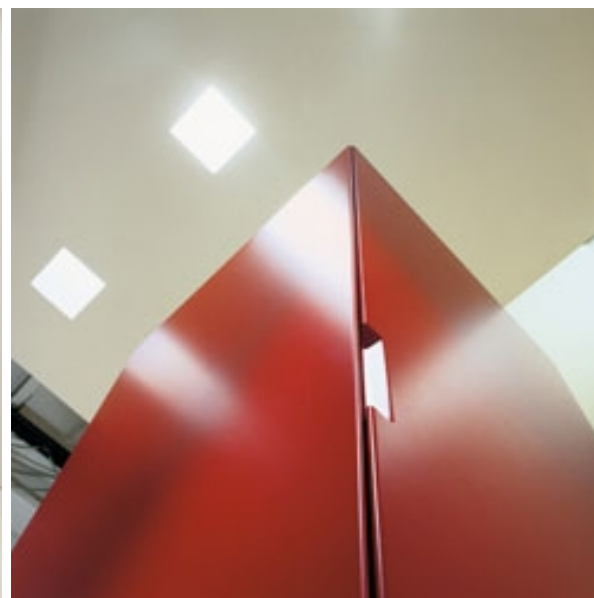

Designed in 2000 by Pietro Arosio for EmmeBi, the Rollerbox closet is incredibly versatile, with many accessories available, and revolving on aluminium self-blocking wheels to fit into any space. Mix and match the Rollerbox with other EmmeBi products, such as Toolbox, Wallbox, All, George, Filippo, Flipper and Casanova to concoct the interior matching your needs and expectations.

Ideal for homes - bedrooms, kitchens, studies - as well as for hotels, hostels, workplaces, offices, reception areas, shops, bars and cafes, the Rollerbox multi-use closet is flexible and individual, with a modern design that will bring style to your space.

The Rollerbox closet has sides, back and door in MDF, with base and top in particleboard finished in high pressure aluminium laminate. It can be finished inside and out in a matt lacquer or in any of a range of colours. To clean this product, use a damp cloth with soap - products containing acetone, ammonia, abrasive detergents or wax should not be used. Please note that lacquered furniture may leave a coloured residue on the cloth after cleaning.

Please allow 5 weeks for delivery, and note that there is no minimum quantity requirement on orders of this product.

Dimensions, in cm: 178h x 60w x 60d.
