

# Polo rectangular

Raffaello Galiotto provided design for the Polo tables family, creating Polo Mini and Polo Maxi bar tables: Polo Rectangular table, like the other smaller tables, is folding for easy movement and storage, very stable and resistant to prolonged use and weather attacks, has adjustable feet to compensate uneven ground.

With its aluminum legs and central part in colored resin Polo Rectangular table allows its guests to take place comfortably and is therefore very indicated for restaurant terraces, fast food bars and eateries, swimming pool

and patio arrangements.

The many colors available for the polypropylene central part match some of the chairs produced by Nardi, ISO certified manufacturer that guarantees constant quality in the production; Polo Tables match perfectly with Brezza, Alaska, Aurora chairs in one of the following seat and back colors: white, anthracite, grey, orange, coffee brown, vanilla cream, mint green, sand beige, burgundy red, aviator blue, moss green.

The constant care and the linear design allow any restaurant or bar style to include for their terrace (or their indoor) Polo Rectangular table energy boosting with its bright color palette.

Table height is 73 cm while Werzalit top is available in 2 sizes, 110x70, 120x80 and in silver, marble, white, "catalan", mint green/roman décor, sand beige/roman décor.

Delivered without minimum purchase quantity and complete with assembling instructions.
