

Kampus

Kampus has been created by Kastel to cover a wide range of office chairs (lounge area chairs, executive chairs, conference room chairs, office guest chairs) with a single line.

Executive office chair available in 2 versions, Kampus in regenerated hide and Kampus 2 stuffed and upholstered in about 90 possible finishes counting fabric and leather.

Technically speaking, the shell is in beech multilayer with non deformable polyurethane foam padding; swiveling and on wheels, the executive office chair has standard black, blue or burgundy regenerated hide upholstery.

The lumbar support structure is in aluminium; armrests can be adjustable and stretchable, headrest is optional, comfort and ergonomics are granted by tilting and sliding mechanisms. Further technical details in the data sheet.

Contract requirements are met by the fire certification class 1M and the A-level of Uni EN1335 for ergonomic office chairs: maximum reliability, comfort and granted ergonomics for a heavy daily use.

Kampus is shipped assembled with no minimum purchase quantity after about 25 days from order.

Dimensions in cm.: H118 W65 D65 seat height 46
