

Stylo executive

JDS International is pleased to introduce you to the Stylo executive chair, representing a synthesis of style and functionality, mixed together with the ergonomics.

Do not hesitate to trust the Stylo chair, irreproachable in its technical features. The Stylo executive chair is realized with a chromed steel tube frame on chrome base, self-braking castors and fixed chrome armrests. Provided with a tilting system (with 3 different positions and regulation for the movement intensity) and gas mechanism (certified according UNI 9084/86 and DIN 4550/92).

The Style executive chair is offered in a selection of materials and colors for the upholsteries in leather or textile.

Any business location will benefit of its style and comfort, suitable to be placed in the most important lawyer's office as much as in the private studio of a clinic. Also ideal for receptions and working areas.

No minimum stock order.

Dimensions are cm.: H102/113 W75 D75, seat height 42,5/53,5.

Product delivered disassembled in 4 weeks from order confirmation with instructions and tools included in the package.
