

Magno TR

Top functionality and elegant design for Magno TR table, folding table with multipurpose soul, adapt for meetings, buffets or conference in hotels, as meeting table or desk in offices and libraries, as spare table in dining rooms either for private homes and restaurants.

Magno TR table's features stretch the red carpet to enter wherever versatility joined to functionality are required.

Places like the MIB school of Management in Trieste, the Biennale Contemporary Art Exhibition in Venice, the Louvre Museum in Paris, the MOMA in New York: these are only a few places where Magno TR is used.

When folded, Magno table occupies a very small space, a very hot topic in case of communities or however public places, and can be easily and silently moved thanks to its rubberized polypropylene wheels with brake system.

The magnolia or wenge laminate top has an ABS edge and can flap in vertical position to be stacked with other folded tables in row, with the further advantage to host also the Stilo folding chairs (another EIS Mobilil product) by special hooks.

As option, there is a steel linking device to join more table tops together.

CATAS tested according to EN 1728 and 1730 for total reliability, safely usable in any community for the easy maintenance and the high durability, resistance to scratches, fire, water and high temperature. On demand laminate fireproof top.

Available for shipment in 30 days from order with a minimum purchase of 10 pieces. Sizes can vary in length: 120-140-160-180, W is 80, H is 73,5 open and 110 folded.
