

# Kuadrella

Kuadrella is a small armchair playing a highly important role in the destination of the chairs' panorama, which is the conference chair or the meeting room chair, in auditoriums or school assembly rooms, or as guest chair in office or in waiting areas. An original choice for restaurants or bars, for small living spaces in hotels, for waiting rooms in medical studies and so on.

Available in a very wide range of upholsteries, about 90, Kuadrella offers a fixed 4-legs aluminium colour base with either pivoting wheels or adjustable feet; in alternative, fixed 4-point star base in chromed steel with feet. Optional a black writing tablet fastened with an articulated device.

Kuadrella armchair is ready for shipment after about 25 days from order and has no minimum stock order.

Dimensions in cm. are: H69 W63 D52 seat height 44.
