

Sunny swivel

Designers Picco and Foschia, by simply changing the base, developed in the Sunny series a swivel version with a stunning result; introduced during 2007 Milan Furniture Exhibition, Sunny swivel chair achieves another status, becoming a graceful and modern chair for fashion bars or restaurants, other than for office waiting areas or meeting rooms.

The swivel post and base are made in steel, chromed or lacquered white or black, and the polypropylene shell is available in a palette of colours: white, cream white, yellow, orange, red, anthracite, blue, green.

In combination with the table Voilà from the same manufacturer, the ensemble is

a unique set for a modern looking café.
Stable, durable and ergonomic.

Individually boxed, the chair comes together with simple and clear assembling instructions, in about 4 weeks from the purchase order.

Sizes of the chair: H79 W59 D57 seat height 45
