

Come Te

Introducing a special piece here, Come Te, a wall mirror or self standing mirror: a wooden frame lacquered aluminum or silver foil and a sumptuous décor of lilies and leaves, covered in full grain or top grain leather surrounds a smooth, large mirror particularly adapt to enlighten and define large spaces where reflections are a must, like ornamented entrances and halls in luxury hotels and restaurants, in refined beauty salons, in antiqued furnished rooms in private homes, as well as top modern interiors where its ancient-recalling lines match the minimalism for contrast.

The dimensions of this piece suggest a first placement in wide spaces to appreciate its details in a whole glance,

but a mirror has also the function to optically enlarge the rooms so there is no contraindications to go for it in a room smaller than a ballroom; Come Te mirror has versatility on its side, can meet any requirement as it's standard available in 3 sizes: cm 190x130; 130x130; 160x90,

Leather requires careful but easy maintenance, by avoiding chemicals and aggressive detergents and using a soft damp cloth with a little neutral soap only in the case of top grain leather.

Available for shipment in 30 days from order without minimum stock quantity, Come Te mirror is to be carefully positioned in the required place remembering to avoid crowdy passageways for safety.
