

Planet CS 4005

The Planet CS/4005 table is a sleek and stylish piece. Sturdy and strong, but smart and with a simple design, this distinctive circular table will suit a variety of areas and is sure to transform your space.

Convivial and welcoming, the size of the Planet CS/4005 round table means it can fit into any space. Designed by STC for Italian company Calligaris, its elegant central column - available in chrome or lacquered metal in white or black - means the Planet CS/4005 is a striking and individual piece. The Planet's table top is wood, available with a white

lacquer or veneered in ebony, rosewood, walnut or cherry.

Perfect for homes and workplaces, for shops, resorts, beauty farms and hotels as well as bars, bistros, coffeehouses, cocktail lounges and restaurants, the Planet CS/4005 table is a contemporary and stylish piece.

Have a look at other ranges of chairs and stools from Calligaris, such as the Déjà vu or Air ranges, for co-ordinating items.

Please allow three weeks for delivery, and note that there is no minimum quantity requirement on orders of this product.

Dimensions, in cm: 75h x diameter 120.
