

Classical

Delicate and intriguing pattern characterize the Classical carpet from the collection Picture by Dhesja, that adds a soft and subtle tone to any interior.

Given the wide range of colors available and the different sizes on stock the Classical rug has no boundaries for what concerns the destination: private living rooms, hotel suites, conversation corners or waiting areas in the most prestigious spas or resorts, wherever you wish to set it.

Always on stock, the Classical carpet is available in 2 large sizes, 140x200 and 170x240 cm, all 100% acrylic tuft and bottom in cotton and polyester spreaded with latex.
